

Lana Del Rey - Try Tonight

Tom: B

B Ebm
Can't put my finger on it
B Ebm
but i know i want it
Abm Ebm Gb
I'm willing to try another way
Abm Ebm Gb
that is if i get by another day
Abm
Back and forth, i don't know
B Ebm Abm
get anywhere, and i've been searching
B Ebm
Everywhere

B Ebm
he'll try tonight
B Ebm
Just try tonight

B Ebm
happy as the moon shine
B Ebm
Shifting in the night time
Abm Ebm Gb
clichas find a home inside of him
Abm Ebm Gb

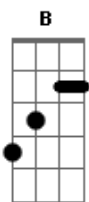

When he enters all of the lights go dim
Abm B Ebm
he's so sure he's got a tragic lifestyle
Abm B Ebm
And i'm so sure i can, make that man smile

B Ebm
he'll try tonight
B Ebm
Just try tonight

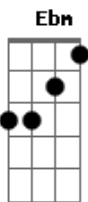

B Ebm
a dark room in the nighttime
B Ebm
Is how he spends all his time
Abm Ebm Gb
if he could go on without your help
Abm Ebm Gb
Then he would do it all by himself
Abm B Ebm
but i don't think he got, strength to muster
Abm B Ebm
And he don't got a lot, lack of luster

B Ebm B Ebm
he'll try tonight, tonight i'll get high
B Ebm B Ebm
but he will, he will, he will, yes he will.
