

Lana Del Rey - Us Against The World

Tom: F

Dm
What do you need to get high for
C
When your baby's so to die for?
Bb
Quit your job let's make a ride for it

Dm **C**
If you want it super-size, I can do that for you.
Dm **C**
If you want it double fries, I can do that for you.
Dm **C**
If you wanna good surprise, I can do that for you.
Dm **C**
If you won't believe your eyes, I can do that for you.

Dm
What do you need to get high for,
C
When your baby's so to die for?
Bb
Quit your job let's make a ride for it, It's us against the world.

Dm **C**
If you want a cola, I can make it colder,
Dm **Bb**
If you want a bad girl, Nobody's bolder,
Dm **C** **Bb**
And if you want the Queen Of New York then you better call me, call me.

Dm **C**
If you want some dirty lies, I can do that for you.
Dm **Bb**
Watch me dance for other guys, I can do that for you.
Dm **C**
Tell you everything's alright, I can do that for you.
Dm **Bb**
Never ever leave your side, I can do that for you.

Dm
What do I need to get high for?
C
There ain't no reason to cry for.

Bb
Quit your job, let's make a life, boy, it's us against the world.

Dm **C**
If you want a cola, I can make it colder,
Dm **Bb**
If you want a bad girl, Nobody's bolder,
Dm **C** **Bb**
And if you want the Queen Of New York then you better call me, call me.

Dm
Lights, lights, Sights, sights.
C
Buy me Coca Cola in the middle of the night.
Bb
Ah-ah-ah, ah-ah-ah.
Dm
Lights, lights, Sights, sights.
C
Buy me Coca Cola in the middle of the night.
Bb
Ah-ah, ah-ah.

Dm
What do you need to get high for,
C
When your baby's so to die for?
Bb
Quit your job let's make a ride for it, It's us against the world.

Dm **C**
If you want a cola, I can make it colder,
Dm **Bb**
If you want a bad girl, Nobody's bolder,
Dm **C** **Bb**
And if you want the Queen Of New York then you better call me, call me.

Dm **C**
If you want a cola, I can make it colder,
Dm **Bb**
If you want a bad girl, Nobody's bolder,
Dm **C** **Bb**
And if you want the Queen Of New York then you better call me, call me.
