Ooh, ooh, ooh
 Ooh, ooh, ooh
 [Primeira Parte]

What cruel world is this? Nectar of the gods
 Heroin gold in my veins, you in my thoughts

I'm on the freeway racing at a million

And I just can't stop

I call you up twice, hang up the phone

Call again, I wanna talk
 [Refrão]

I get wild on you baby

I get wild and fucking crazy like you never knew

Knew, knew, knew

I get wild on you baby

I get wild and fucking crazy like the color blue

Ooh, ooh, ooh
 [Segunda Parte]

What sweet world is this? Honey on the vine

School kid dreams came true then passed in the night

I used to dream about people like you

Now I don't know why

I used to sing about people like you

Now I just get high
 [Refrão]

I get wild on you baby

I get wild and fucking crazy like you never knew

Knew, knew, knew

I get wild on you baby

I get wild and fucking crazy like the color blue

Ooh, ooh, ooh

Ooh, ooh, ooh

Ooh, ooh, ooh

Ooh, ooh, ooh

Ooh, ooh, ooh

Ooh, ooh, ooh

Ooh, ooh, ooh
 [Refrão]

I get wild on you baby

I get wild and fucking crazy like you never knew

Knew, knew, knew

I get wild on you baby

I get wild and fucking crazy like the color blue

Ooh, ooh, ooh

[Final]

Californ-I-A, homeland of the gods
 Once I found my way, but now I'm lost
