

Langhorne Slim - Changes

Tom: **B**

(forma dos acordes no tom de **G**)
Capostrate na 4ª casa

Things could be stranger
But I don't know how
I'm going through changes now
I could spend a lifetime figuring it out
I'm going through changes now
That have just be gun
Under a purple sun
There's many reasons
We are
What we've become
I'm going through changes
Ripping out pages
I'm going through changes now
(**C** **Bb** **Am** **G**)
(**C** **Bb** **Am** **G**)

I knew it once
But I for got
I'm going through changes now
We want everything but
What we've got
I'm going through changes now
Maybe it's too soon
Under a purple moon
But I'd ride off with you
In a big bal loon
I'm going through changes
Rattling cages
I'm going through changes now
Things could be different
But I don't know how
I'm going through changes
Through all the strangeness
I'm going through changes now
