Lany - Live It Down

```
                         tom:
                  C
Intro: C                        F     C
Be the first to let you live it down
```

[Primeira Parte]

```
C
I just heard, it's so many words
        Am
That was every right decisions, you just took a turn
    F                                   G
I bet everything inside you wants to take it back
                      Am
But it's where we at
C
All I know, you shouldn't be alone
              Am
So I'm in my car, I'm coming over, are you home?
        F                           G
I got a shoulder you can lean on, and a fitted jack
                  Am
'Caus I got your back
```

[Pré-Refrão]

```
G                   C     F
People make rockets, they go to the moon
G         C       F
People make mistakes too
                        C
So whatever you do
```

[Refrão]

```
                      Am
Know that I will still be here
                            F
If the whole world shuts you out
              G
I'm not gonna run
              Am
If you mess it up, I'll be the one
                        G       C
Be the first to let you live it down
```

[Segunda Parte]

```
         C
```

```
I'm sure it feels, like this wound won't heal
              Am
And the shadow that you're living in is all that's real
        F                               G
But tomorrow is a story that's not written yet
              Am
So take a breath, and don't forget
```

[Pre-Refrão]

```
          G                   C    F
That people make rockets, they go to the moon
G         C       F
People make mistakes too
                        C
So whatever you do
```

[Refrão]

```
                      Am
Know that I will still be here
                            F
If the whole world shuts you out
              G
I'm not gonna run
              Am
If you mess it up, I'll be the one
                        G       C
Be the first to let you live it down
                          Am
You can cry a million tears
                        F
But I can't pass out on my couch
              G
It's the kind of love
              Am
If you mess it up, I'll be the one
                        G       C
Be the first to let you live it down
                        G   F   C
The first to let you live it down
                        G   F   C
The first to let you live it down, yeah

Bb                      F
People make rockets, they go to the moon
Bb                      F
People make mistakes too
