

## Larissa Colliver - Feel Your Love Again (feat. Redeeming Rebels)

```
I want to love you and honor you
               tom:
                                                                    Cm7
                                                           I want to be with you, my Lord
               Ah
Intro: Bb Cm7 Ab2
Bb Cm7 Ab2
                                                                  Eb
                                                           Forevermore, I surrender to you
                                                           You're the reason I breathe
              Ab
Lord, I want to feel your love again inside my heart
                                                                   Ab
                                                           And I want to feel your love again
              Ab2
Lord, I want to hear your voice again the way I used to
                       Cm7
                                                           You've found me, you've found me
                                   Ab2
All I really know is that I can't live without you
                                                           You say: Don't be afraid
                         Cm7
Oh, I'm beginning to see it now
                                                                    . Eb
                                                           I'm not gonna back down 'cause You
       Ab
'Cause my eyes are on you
                                                             Bb Bb Ab
                                                           Have called me, have called me
              Fb
I want to love You and honor You
                                                           Not gonna walk away
       Cm7
                                                           Cm7 Eb
I want to be with you, my Lord
                                                           You have drawn me into your arms
                                                                Bb Bb Ab7M
     Eb
Forevermore, I surrender to You
                                                           You've found me, you've found me
                   Cm7
You're the reason I breathe
                                                           You say: Don't be afraid
          Ab . Bb Cm7
                                                                  Eb
                                     Ah
                                                           Cm7
And I want to feel your love again
                                                           I'm not gonna back down 'cause You
                                                              Bb Ab7M
Bb Cm7 Ab
                                                           Have called me, have called me
Oh oh oh
                                                                                   Bb Cm7
                                                                                                 Ab7M
                                                           Not gonna walk away from you
                                      Ab2
                         Cm7
                                                                                             Ab7M
                                                                                   Bb Cm7
All I really know is that I can't live without you
                                                           Not gonna walk away from you
                         Cm7
Oh, I'm beginning to see it now
                                                           (Not gonna walk away from you)
        Ah
                                                                          Eb
'Cause my eyes
           Bb
                          Cm7
                                      Ab2
                                                           I want to love you and honor you
All I really know is that I can't live without you
                                                                   Cm7
                                                           I want to be with you, my Lord
       Bb Cm7
Oh, I'm beginning to see it now
                                                                 Eb . Bb
                                                           Forevermore, I surrender to you
        Db
'Cause my eyes are on you
                                                           You're the reason I breathe
              Eb
{\bf I} want to love you and honor you
                                                           And I want to feel
       Cm7
                                                                         Eb
I want to be with you, my Lord
                                                           I want to love you and honor you
    Eb
                                                                   Cm7
                                                           I want to be with you, my Lord
Forevermore, I surrender to you
                   Cm7
                                                                 Eb Bb
You're the reason I breathe
                                                           Forevermore, I surrender to you
And I want to feel
                                                           You're the reason I breathe
                                                                     Ab
                                                           And I want to feel your love again
                            Bh
