

Lasgo - Surrender

tom:

Am **C** **G**
 You say that I can trust you
F
 I don't know
Am **G**
 Every time I'm near you
F
 I lose control
Am **G**
 I must be out of my mind
F
 To let you in
Am **G**
 Maybe I should try to find
F
 My strength within

[Refrão]
Am **C**
 It's only a matter of time
Em
 And I will surrender
Am **C**
 Just give me a little more time

Em
 To open my mind
Am **C**
 It's only a matter of time
Em
 And I will surrender
D **C**
 Surrender to youuuuuuuuuuu uuu

Am
 Fears, I leave them far behind
G **F**
 To resist you, I don't know how
Am
 Love, sometimes can be unkind
G **F**
 Should I lay my heart on the line now

Am
 And when temptation comes along
G **F**
 I can't hide it, I can't fight it
Am
 Feelings inside are getting strong
G **F**
 Cannot deny it, you've got it
