Last Dinosaurs - FMU

```
                              tom:
                    G
Intro: G  Em  Bm  D7
       G  Em  Bm  D7
```

[Primeira Parte]

```
G                    Em
  I'm trying to figure out
Am
     Why we're still living in this snake-bit town
G                  Em
  Some say we'll be alright
Am
     But they're still tryna set the world on fire
```

[Pré-Refrão]

```
G  B7
       They wanna change
           Am              C
The way we live today, integrate
G  B7                      Am         D
       Sometimes they make me wanna run away, run
```
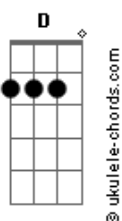

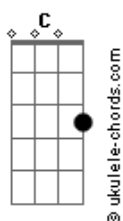

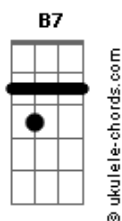

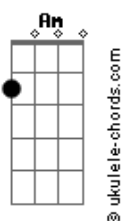

[Refrão]

```
G                     Em
I need you to tell it to me straight
        Am                    D
Baby, why you tryna throw it all away?
                       G            Em
Yeah, the things you do are really not okay
                  Am  D
You're fucking me up, up
```
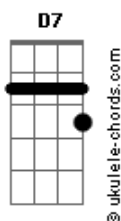

```
( G  Em  Bm  D7 )
( G  Em  Bm  D7 )
```

[Segunda Parte]

```
G                      Em
  You ever feel your soul unwind?
Am
     Just let the rhythm take over your mind
G                      Em
  This kind of system don't treat you kind
Am
```

```
     They play with people like they're rolling dice
```

[Pré-Refrão]

```
G  B7
           Let's change the system
           Am         C
Make them run away, run
```

[Refrão]

```
G                     Em
I need you to tell it to me straight
        Am                    D
Baby, why you tryna throw it all away?
                       G            Em
Yeah, the things you do are really not okay
                  Am  D
You're fucking me up,  up
```
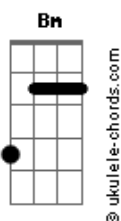

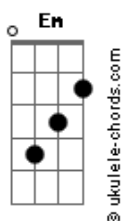

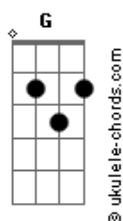

[Ponte]

```
G  Em                  Bm  D
       You're fucking me up, up
G  Em                  Bm
       You're fucking me up, up
                D
You gotta let it go to waste
```

[Solo] G Em Bm D

[Refrão]
```
G                     Em
I need you to tell it to me straight
        Bm                    D
Baby, why you tryna throw it all away?
                       G            Em
Yeah, the things you do are really not okay
                  Bm  D
You're fucking me up, up
```

[Final]

```
G  Em                  Bm  D
       You're fucking me up, up
G  Em                  Bm
       You're fucking me up, up
```
