[Primeira Parte]

<sup>D</sup> <sup>A</sup>  
There's a certain kind of way  
I know that you and I could be  
But I should probably tell you  
In advance that I'm sorry  
I'm afraid that things are changing  
I don't know if I can face it  
I'm thinking about a time  
when we were only 17  
We wouldn't ever lie about  
the things we were feeling  
Is it me that's getting colder?  
Maybe I don't wanna know that

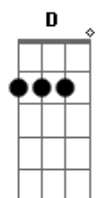

[Refrão]

<sup>E7</sup>  
All this time  
My head and heart were out of sync  
But I know that  
The ship is slowly sailing  
<sup>E7</sup>  
Out of sight  
I try to swim my way against  
the changing tide  
The coast is only fading  
( <sup>E7</sup> <sup>D</sup> <sup>A</sup> )

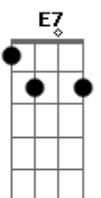

[Pré-Refrão]

<sup>D</sup> <sup>A</sup> <sup>D</sup>  
Whatever comes to mind is just my callow memory  
If I was any more than just a wandering folly  
I could see that I'm a simple man  
Too much thinking for my heart  
Oh no, don't go  
I'll give you everything you
