

## Last Dinosaurs - Zero

```
tom:
                G (forma dos acordes no tom de Gb )
Capostraste na 1ª casa
Intro: F C
[Primeira Parte]
I've tried
To hide a certain side of me
Closed eyes, I'm tired of this reality
I just wanna feel alive
I'm drifting in space
And when I'm falling back to Earth
I'll find out if it hurts
[Refrão]
 Too many thoughts inside my head
I guess I'm going crazy instead
I meant all of the things I said
I hope one day you will understand
[Segunda Parte]
```

## Acordes

```
I feel
I can't just let it go again
And still time flies and then it slows again
Can you guess what I'm thinkin' 'bout
Oh I know, she knows
Cause I'm just trying to figure out
If I'm meant to let go
[Pré-Refrão]
I don't wanna know (if I'm losing control)
I need to know (how to find my soul)
I don't wanna know (if I'm losing control)
I need to know (how to find my soul)
[Refrão]
  Too many thoughts inside my head
I guess I'm going crazy instead
I meant all of the things I said
I hope one day you will understand
