

# Laufey - I'll Forget About You (In Time)

tom:

G

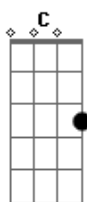

I'll forget about you in time  
 I won't think about you when I die  
 Erase you from my periphery  
 Delete you from everything I see  
 I'll forget about you in time

Went home to my mother and cried  
 She said: You will find another in this life  
 I wish I could believe her words  
 I've fallen under the age-old curse  
 Dm. G13(omit3)

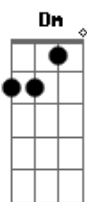

I'll forget about you in time

I knew I had to do it, break it off  
 Now I feel ruined  
 'Cause you treated me so awfully  
 I don't know what you saw in me  
 You've broken me  
 I don't believe I'll fall in love again  
 I'll forget about him in time (in time)  
 Oh (in time, in time)  
 I'll forget about him, won't I?
