

## Laufey - I Wish You Love

```
tom:
                   C
I wish you bluebirds in the spring
C C Am

To give your heart a song to sing
C C Am
I wish you love
Dm Dm G G7
And in July a lemonade
C C Am
To cool you in some leafy glade

Dm Dm G G7

I wish you health, and more than wealth

Gm Cadd9 Cadd9

I wish you love
I wish you love
F Fm

My breaking heart and I agree
C C Am

That you and I could never be
Dm Dm Dadd9 Dadd9

So, with my best, my very best
               G7 G7
I set you free
                      Dm
               Dm
I wish you shelter from the storm C C Am
C C Am
A cozy fire to keep you warm
```

```
But most of all,
                                                                                                         when snowflakes fall
                                                                          C C
                                                                                                               Am
  I wish you love
  ( C C Am )
( Dm Dm G G7 )
( C C Am )
  ( C C Am Am )
( Dm Dm G G7 )
   ( Gm Cadd9 Cadd9 )
My breaking heart and I agree

C C Am

That you and I could never be
 Dm Dm Dadd9 Dadd9
So, with my best, my very best
G7 G7
  I set you free
                                                                           Dm Dm G G7
I wish you should be compared to keep you warm be compared by the compared by 
 I wish you shelter from the storm C C Am
  But most of all, when snowflakes fall
                                                                              Em
                                                                                                               Em A A7
  But most of all, when snowflakes fall
                                                                                                               G7
                                                                  Dm
  I wish you love
                                                                                                           love
                                                                                                                                                                        love
```
