

# Laufey - Like The Movies

tom: C

Maybe one day I'll fall in a bookstore  
 Into the arms of a guy  
 We'll sneak into bars  
 And gaze at the stars  
 Surrounded by fireflies

Oh, I'd like to sleep in till two on a Sunday  
 And listen to the bluebirds sigh  
 Get soaked in the rain  
 And smile through the pain  
 Slow dance under stormy skies

Maybe I'm just old fashioned

Read too many fairytales  
 It's no wonder I've had no luck  
 No one's ever good enough  
 I want a love like I've seen in the movies  
 That's why I'll never fall in love
