Intro: B

[Primeira Parte]

This skyscraper's causing vertigo
The countdown begins in Tokyo
27 Days alone means 20 million ways to cope
With-ou - ou - ou - out you

[Refrão]

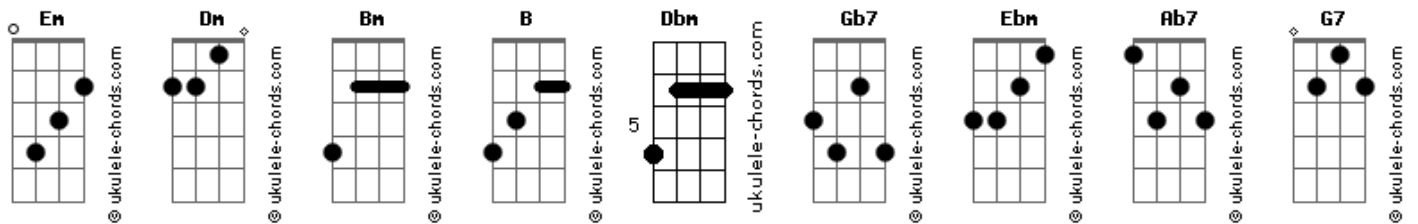

I'm in a reckless fever
Lovestruck girl, I'd tease her
Thought I'd never be her
Quite the job you've done on me, sir
You've been hosting parties in my mind
I'm working overtime to have you in my world
Oh, what a curse it is to be a lover girl

[Refrão] B

[Segunda Parte]

Forced to get creative wrote my feelings down
The independent lady in me is nowhere to be found
I can't wait another day to see you
How embarrassing to be - e - e this way

Acordes

[Refrão]

I'm in a reckless fever
Lovestruck girl, I'd tease her
Thought I'd never be her
Quite the job you've done on me, sir
You've been hosting parties in my mind
I'm working overtime to have you in my world
Oh, what a curse it is to be in love

[Ponte]

I wait by the phone like a high school movie
Dream at the shows, you come running to me
Think I see you in the wind
God, I'm hallucinating

[Refrão]

What a reckless fever
Lovestruck girl, I'd tease her
Thought I'd never be her
Quite the job you've done on me, sir
You've been hosting parties in my mind
I'm working overtime, you've become my whole world
Oh, what a curse it is to be a lover girl
