

Laufey - Lover Girl

tom:

This skyscraper's causing vertigo
 The countdown begins in Tokyo
 Twenty-seven days alone means twenty
 Million ways to cope without you

I'm in a reckless fever, love-struck girl, I'd tease her
 Thought I'd never be her

Quite the job you've done on me, sir
 You've been hosting parties in my mind
 I'm working overtime to have you
 In my world
 Oh, what a curse it is to be a lover girl

Forced to get creative, wrote my
 Feelings down

The independent lady in me's nowhere
 To be found
 I can't wait another day to see you
 How embarrassing to be this way

I'm in a reckless fever, love-struck girl, I'd tease her

Thought I'd never be her
 Quite the job you've done on me, sir
 You've been hosting parties in my mind
 I'm working overtime to have you
 In my world
 Oh, what a curse it is to be in love

I wait by the phone like
 A high school movie
 Dream at the shows
 You'll come runnin' to me
 Think I see you in the wings, God
 I'm hallucinating

What a reckless fever, love-struck girl, I'd tease her
 Thought I'd never be her

Quite the job you've done on me, sir
 You've been hosting parties in my mind
 I'm working overtime
 You've become in my whole world
 Oh, what a curse it is to be a lover girl
