

# Laufey - Madwoman

tom:  
 G Am7 E  
 Such a terrible idea  
 Am7 E  
 Worst one I've had all this year  
 Am7 E Am7 E  
 But I can't ignore our obvious attraction  
 Am7 E  
 I imagine how it ends  
 Am7 E  
 Up in flames we'll go again  
 Am7 E Am7 E  
 Seeking chaos, can't help giving in to passion  
 Dm7 G C  
 But there's something so vexing 'bout you  
 Dm7 G C  
 It's like the gods above us don't approve  
 Bm E7 Am  
 We've been through this before, fell in and out, I said: No more  
 F E7 Am E  
 But still I want you like a mad, mad woman  
 Am7 E  
 I remind myself how he'd  
 Am7 E  
 Question everything 'bout me  
 Am7 E Am7 E  
 Called me stupid as a mindless joke, he hypnotized me as we spoke  
 Am7 E  
 Purely mythological  
 Am7 E

With the ugliest soul  
 Am7 E Am7 E  
 You would think that he is holding me for ransom  
 Dm7 G C  
 'Cause there's something so vexing 'bout you  
 Dm7 G C  
 It's like the gods above us don't approve  
 Bm E7 Am Ab  
 We've been through this before, fell in and out, I said: No more  
 F E7 Am E  
 But still I want you like a mad, mad woman  
 Made it to the final hour  
 But the wine begins to sour  
 And I'm seeing myself in a dreadful fashion E  
 Am7 E  
 Then the fog begins to clear Ab  
 Am7 E  
 As I'm gasping at clean air  
 Am7 E Am7 E  
 I remember how together we're so handsome  
 Dm7 G C  
 'Cause there's something so vexing 'bout you  
 Dm7 G C  
 It's like the gods above us don't approve  
 Bm E7 Am Ab  
 We've been through this before, fell in and out, I said: No more  
 F E7 Am E  
 But still I want you like a mad, mad woman
