

# Laufey - Second Best

tom:  
Bb

I'll never **Bb7M** forget how stupid in **Cm7** love I **F7** felt  
**Bb7M** **Cm7** **F7** **Bb7M** **Cm7** **F7**  
I'll always regret how I couldn't ever tell  
**D7** **G7**  
That you walked a little faster, left me behind  
**Cm7** **Bbm**  
Kissed me with somebody else in mind  
**Dm7**  
I loved you so much  
**G7**  
That I settled for less

**Cm7**  
Oh, you were my everything  
**F7** **Bb7M** **Cm7** **F7**  
I was your second best

**Bb7M** **Cm7** **F7** **Bb7M** **Cm7** **F7**  
Lying awake, I'd watch as you'd dream at night (dream at night)  
**Bb7M** **Cm7** **F7** **Bb7M** **Cm7** **F7**  
Nightingale singing half-hearted lullabies  
**D7** **G7**  
Well, you swung me around in that mid summer dance  
**Cm7** **Ebm**  
Held me in close as you thought of your past  
**Dm7**  
I love way too much  
**G7**  
Oh, this hurts to confess

**Cm7**  
Oh, you were my everything

**F7** **Bb7M** **Bb7** **D7**  
I was your second best

**Gm7** **Cm7**  
You've given me nothing to miss

**F7** **Bb7M**  
Honestly, life has been much better since  
**D7** **Gm7**  
I spoke to you last  
**Cm7**  
Why am I still wondering  
**F7**  
If I stand a chance or if you'd have me back?

**Bb7M** **Cm7** **F7** **Bb7M** **Cm7** **F7**  
Everyone warned me you were a bad idea  
**Bb7M**  
I never listen  
**Cm7** **F7** **Bb7M**  
Maybe I will next year  
**Cm7** **F7** **D7** **G7**  
When I've walked a little further into my life  
**Cm7** **Bbm**  
Fallen in love and left you behind  
**Dm7** **G7**  
But I'm still a little in love with this mess

**Cm7**  
Oh, you were my everything  
**F7** **Bb7M** **Cm7** **F7**  
I'm just your second best

**Bb7M** **Cm7**  
Mm  
**F7** **Bb7M**  
Second best

## Acordes
