

Laufey - Too Little, Too Late

tom:
 F (forma dos acordes no tom de D)
 Capostraste na 3ª casa

The whole town is talking 'bout how you've fallen in love
 I read in the papers he's someone that girls dream about
 Some kind of ruler on top of a kingdom
 I'm just a jester, I'll never be him
 Last night you called to me
 It almost killed me

To hear you scream my name
 Your smile still kills the same
 I almost turned around
 You chased me to the ground
 You asked me how I've been
 But how do I begin
 To tell you I should've chased
 You 'cross every single state?
 I lay down my sword for fate
 'Cause it's too little, way too late

I didn't need the reminder of things I've done wrong
 Of promises broken, fragility hidden in song
 Guess that we're soulmates in different lifetimes

What if you leave him? Throw me a lifeline
 I know that you're happy
 But it just killed me
 To hear you scream my name
 A clear fucking X-ray
 Of if I'd stuck around
 I swear to God, I almost drowned
 You asked me how I've been
 But how could I begin
 To tell you I should've chased you?
 I should be who you're engaged to
 Lost my fight with fate
 A tug-of-war of leave and stay
 I give in, I abdicate
 I lay my sword down anyway
 I'll see you at heaven's gate
 'Cause it's too little, way too late
 I'll toast outside your wedding day
 Whisper vows I'll never say to you
 'Cause it's too little, all too late
