

Laura Lavieri - Quando Alguém Vai Embora

Tom: C

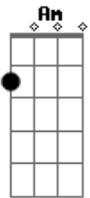

Quando alguém vai embora e não diz a razão
 A saudade devora tudo do meu coração
 Se errou pouco importa, puro engano talvez
 Toda casa tem trinco e tem porta
 Para um dia bater-se outra vez

A maré que enche e vaza
 Deixa a praia descoberta
 Vai-se um amor e vem outro
 Nunca vi coisa tão certa
 Não é só quem se deseja
 Que nos dá felicidade
 Por pior que a gente seja
 Deixa sempre uma saudade
