

Laura Marling - Once

Tom: **Bb**

(com acordes na forma de)

Capostrate na 1ª casa

Afinação: Open **G** (DGDGBD)

Intro:

Verso:

In the land I now know to be mine,

There the heart's so dark it's near blind.

When I think about the life I've left behind,

I still raise no praise to the sky.

Verso:

With my eyes on the prize of your bed,

When all that's needed saying has been said.

When I think about the life that I have lead,

I laid down to the sound of the the (wise/why?).

Refrão:

Once, once is enough to break you,

Once, once is enough to make you think twice,

About laying your love out on the line.

Verso:

Laid with all I now know to be true,

And all I've figured out about you.

All the crazy things a mind can do,

I laid down to the sound of the truth.

And it's not you.

Refrão:

Once, once is enough to break you,

Once, once is enough to make you think twice,

About laying your love out on the line.

Ponte:

Oh, I was a child once.

Oh, oh, I was happy young.

When all I didn't know needed doing, had been done.

Refrão:

Once, once is enough to break you,

Once, once is enough to make you think twice,

About laying your little love out on the line.
