

# Laura Pausini - Do I dare?

Tom: Gb  
Intro: .: Db Ebm B Gb

Even now when I see you  
I start to relieve you  
Don't know how  
I could ever begin to forgive you  
I never thought about it  
I learned to live without it  
But nothing seem to feel the same  
If I should try again and you should lie again  
Don't know if I could stand the pain

Do I dare?  
Let you in once again and surrender  
Should I care?  
Should I trust when my heart still remember?  
How you lied how I cried  
Now I see you wanna make it, try!  
So I ask won't you hear my prayer?  
Do I love you? Do I trust you?  
Do I dare?

Tell me why did you play such a game at September?  
Pretty lies  
Were you real?  
Were you just to pretend?  
When I ain't back again  
Saying it that was then  
How are you gonna change your way?  
I don't know what to do  
Cause I am still feeling you  
But will the story end the same?

Do I dare?  
Let you in once again and surrender  
Should I care?  
Should I trust when my heart still remember?  
How you lied how I cried  
Now I see you wanna make it, try!  
So I ask won't you hear my prayer?

Do I love you? Do I trust you?  
Do I dare?

I never thought about it  
I learned to live without it  
But now sometimes I feel just like I am gonna die without it  
I don't know what to do  
Cause I am still feeling you  
And I am still afraid that you'd break my heart in two  
Solo: Don't know if I could stand the pain  
Solo: But will the story end the same

Do I dare?  
Let you in once again and surrender  
Should I care?  
Should I trust when my heart still remember?  
How you lied how I cried  
Now I see you wanna make it, try!  
So I ask won't you hear my prayer?  
Do I love you? Do I trust you? Do I dare?

I never thought about it  
I learned to live without it  
But now sometimes I feel just like I am gonna die without it  
I don't know what to do  
Cause I am still feeling you  
I am still afraid that you'd break my heart in two

Do I dare?  
Let you in once again and surrender  
Should I care?  
Should I trust when my heart still remember?  
How you lied how I cried  
Now I see you wanna make it, try!  
So I ask won't you hear my prayer?  
Do I love you? Do I trust you?  
Do I dare?
