

Lauren Alexandria - Flood My Soul

Tom: Gb

My soul it, it needs You
When I can't feel You
There's still this ache to
Just be with You

Ooh, my heart and soul cry out
For You, my God
Ooh, my heart and soul cry out
For You, my God

So flood my soul
Hold nothing back now
Let Your waves crash over me
Oh, flood my soul
I am ready
From the rooftops hear me shout
Lord my soul is crying out

Flood my soul, ooh
Flood my soul, ooh

And I was made for
Just one reason
To love and be loved
And every season of my soul

It yearns and even faints
For You, my God
Ooh, my soul it yearns and faints
For You, my God

So flood my soul
Hold nothing back now
Let Your waves crash over me
Oh, flood my soul
I am ready
From the rooftops hear me shout
Lord my soul is crying out

Flood my soul, ooh
Flood my soul, ooh

I was made for lovin' You
Was made for lovin' You
Was made for lovin' You
I was made for lovin' You
Was made for lovin' You
Was made for lovin' You

To love You and be loved by You
To love You and be loved by You
To love You and be loved by You
To love

So flood my soul
Hold nothing back now
Let Your waves crash over me
Oh, flood my soul
I am ready
From the rooftops hear me shout
Lord my soul is crying out

Flood my soul, ooh
Flood my soul, ooh
