

# Lauren Bonnell - Honest

Tom: **A**

(com acordes na forma de **G** )

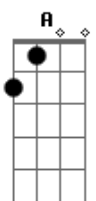

Capostrate na 2ª casa

Intro: **Em G D G D (C G D )** x2

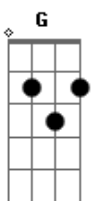

**C**  
Last night  
**G**  
The feeling of a paradise  
**Em**  
When you caught my eye  
**C**  
And your hands  
**G**  
The feeling of them intertwined  
**Em**  
Lost when she walked by  
**C**  
Now I'm stuck in the moment  
**G**  
Broken and hoping  
**Em**  
You'll change your mind  
**C**  
If I'm being honest  
**G**  
I should be the one you hold  
**Em**  
So tight, and never letting go  
**D**  
I'm being honest  
**C**  
You should see the way you look at me  
**G**  
Don't pretend I'm the only thing you don't see  
**Em**  
Cause I know  
**D**  
Honestly baby, I should be the one you hold  
**C**  
(**C G D** ) x2  
Hey! Hey! Hey!  
**C**  
I can't  
**G**  
Think of any other ways  
**Em**  
To get you off my mind  
**D**  
**C**  
But I know  
**G**  
I fell in deep with you tonight  
**Em**  
When you looked in my eyes  
**D**  
**C**  
Oh! Oh!  
**G**  
You're making me blush  
**C**  
Oh! Oh!

**D**  
Can't you feel the rush?  
**C**  
Oh! Oh!  
**Em**  
**D**  
One look is not enough  
**C**  
If I'm being honest  
**G**  
I should be the one you hold  
**Em**  
So tight, and never letting go  
**D**  
I'm being honest  
**C**  
You should see the way you look at me  
**G**  
Don't pretend I'm the only thing you don't see  
**Em**  
Cause I know  
**D**  
Honestly baby, I should be the one you hold  
**C**  
Cause saturday night never felt so right  
**Em**  
When were standing in the cold (hey! hey! hey!)  
**G**  
And look at the stars  
**Em**  
How they shine so bright when you're with someone to love  
**C**  
If I'm being honest  
**G**  
I should be the one you hold  
**Em**  
So tight, and never letting go  
**D**  
If I'm being honest  
**C**  
I should be the one you hold  
**G**  
So tight, and never letting go  
**Em**  
I'm being honest  
**C**  
You should see the way you look at me  
**G**  
Don't pretend I'm the only thing you don't see  
**Em**  
Cause I know  
**D**  
Honestly baby, I should be the one you hold  
**C**  
Cause saturday night never felt so right  
**Em**  
When were standing in the cold (hey! hey! hey!)  
**G**  
And look at the stars  
**Em**  
How they shine so bright when you're with someone to love  
**C**  
I'm being honest
