 I'm a quiet from a small town **D**
 He's like honest with a big mouth **A**
 Watch him tryna figure me out **Bm** **A**
 Now I can't even think straight **D**
 And I don't know how to analyze **A**
 What's going on in my mind **Bm** **A**
 He's got me blurring all the lines
 And I can't really concentrate **Bm**
 His words keeping me up **D** **G**
 When I turn off my night light **Bm**
 But I know that he's going home **D** **G**
 To her tonight **G**
 You strike a match **D**
 And I feel the rush **D**
 But baby this is dangerous **A**
 You fan the flames
 Watch me suffocate **Bm** **A**
 While you're doing just fine **G**
 And the alarms are going off **D**
 And the sprinklers are turning on **A**
 But if you ask me to stay **Bm**
 Baby I'd be up in smoke before **A**
 I put out these **G**
 Flames **D**
 Flames **A** **Bm** **A**
 Flames **A**
 And I know I gotta get out **D**
 Cause I'm in way too deep now **A**
 You just say my name **Bm** **A**
 And everything's okay again **G**
 You tell me 'bout your family
 I tell you 'bout my exes **D**
 I can't stop staring at you
 Putting on your head band

 With you I'm never bored
 cause everything you say is something **Bm** **A**
 I have never heard before
 You're perfect **Bm** **D** **G**
 I think you deserve the whole world
 I hope that you know that **Bm**
 And I hope so does your girl **D** **G**
 You strike a match **G**
 And I feel the rush **D**
 But baby this is dangerous **A**
 You fan the flames
 Watch me suffocate **Bm** **A**
 But you're doing just fine **G**
 And the alarms are going off **D**
 And the sprinklers are turning on **A**
 But if you ask me to stay **Bm**
 Baby I'd be up in smoke before **A**
 I put out these **G**
 Flames **D**
 Flames **A** **Bm** **A**
 Flames **Em**
 And I'll cry in my car and pretend
 It's a movie **Bm**
 I've never experienced this thing **A**
 You're doing to me **G**
 From the start I didn't stand a chance **D**
 It's just the way that you are **A**
 It's the way that I am **G** **D** **A**
 There's nothing I can do now **G**
 But slowly turn to ashes **D**
 On the ground **G**
 You strike a match
 And I feel the rush **D**
 But baby this is dangerous **A**
 You fan the flames
 Watch me suffocate **Bm** **A**
 But you're doing just fine **G**
 And the alarms are going off **D**

The sprinklers are turning on
But if you ask me to stay
Baby I'd be up in smoke before
I put out these
