## **Acordes**

```
You say there's a treasure
You'll look 'til You find it
You search
   Gbm
To find me
                                 Gbm
  What have I done to deserve love like this?
  What have I done to deserve love like this?
 E Gbm D
I cannot earn what You so freely give
E Gbm D
What have I done to deserve love like this?
Hallelujah
Hallelujah
Hallelujah
Hallelujah
                                 Gbm
  What have I done to deserve love like this?
     E Gbm D
  What have I done to deserve love like this?
 E Gbm D
I cannot earn what You so freely give
E Gbm D
What have I done to deserve love like this?
