Tom: **F**

(forma dos acordes no tom de **D** )  
Capostrate na 3ª casa

I could never earn Your heart

I could never reach that far

But You have pulled me close

You've never let me go

I'm safe forever in Your arms

Your promises I cannot break

And I know You will never change

Your love is, Your love is

Your love is loyal

Your love is, Your love is

Your love is loyal

More faithful than the rising sun

This grace for me I can't outrun

Your love is, Your love is

Your love is loyal

You are always there for me

You listen every time I speak

You look into my eyes

You see the things I hide

And say that You will never leave

Your promises I cannot break

And I know You will never change

Your love is, Your love is

Your love is loyal

Your love is, Your love is

Your love is loyal

More faithful than the rising sun

This grace for me I can't outrun

Your love is, Your love is

Your love is loyal

When my world shakes

Your love remains unshaken

So constant, so perfect, unwavering

When my world falls

Your love remains unfailing

So constant, so perfect, unwavering

So constant, so perfect, unwavering

Your love is, Your love is

Your love is loyal

Your love is, Your love is

Your love is loyal

Your love is, Your love is

Your love is loyal

More faithful than the rising sun

This grace for me I can't outrun

Your love is, Your love is

Your love is loyal
