[Primeira Parte]

You are not hidden
There's never been a moment
You were forgotten
You are not hopeless
Though you have been broken
Your innocence stolen

[Pré-Refrão]

I hear you whisper underneath your breath
I hear your sos, your sos

[Refrão]

I will send out an army to find you
In the middle of the darkest night
It's true, I will rescue you

[Segunda Parte]

There is no distance
That cannot be covered
Over and over
You're not defenseless
I'll be your shelter

I'll be your armor

[Pré-Refrão]

I hear you whisper underneath your breath
I hear your sos, your sos

[Refrão]

I will send out an army to find you
In the middle of the darkest night
It's true, I will rescue you
I will never stop marching to reach you
In the middle of the hardest fight
It's true, I will rescue you

[Pré-Refrão]

I hear the whisper underneath your breath
I hear you whisper, you have nothing left

[Refrão]

I will send out an army to find you
In the middle of the darkest night
It's true, I will rescue you
I will never stop marching to reach you
In the middle of the hardest fight
It's true, I will rescue you
