Lauren Jauregui - Expectations

Tom: E Respect for my energy Am 'Cause I've been waiting here all night [Intro] Am Em B Em m Em Em For you to want me I've been there all alone B Em And you, have you once thought of me? B Wondering where you have been [Refrão] Ten past three Em В Em Am Em No club closes at two I wish I had no expectations B Em Em I've already been through all those sad scenarios I really wish I could break through your head В Fm And it doesn't change your mind Am Em With no confrontation Fm Am Know it very well that you told me В You'd come home Really wish we could talk about it instead В Fm And it happened every time Am [Refrão] All these tears that I've cried while I'm Em Am Fm turned to the side Wish I had no expectations R Fm And you're in the same fucking bed Fm I wish that I could get into your head Am Am Wish I had no expectations Fm With no confrontation Fm R But I expect, you expect, we expect B Em Really wish we could talk about it instead (Am Em B Em) (Am Em B Em) (Am Em B Em) Am All these tears that I've cried while I'm (Am Em B Em) Em turned to the side Am Em B Em I wish I had no expectations And you're in the same fucking bed B Fm I really wish I could break through your head Am Wish I had no expectations В Em Am Em With no confrontation But I expect, you expect, we expect B Fm I don't need to ply Really wish we could talk about it instead Em В I don't need no play by pay Am All these tears that I've cried while I'm Em All I need from your side В Fm turned to the side Is for you to communicate В Em And you're in the same fucking bed Am Am Em Oh, respect for my time, respect for my space Wish I had no expectations В Fm В Fm But I expect, you expect, we expect
