

# Lauriete - Óleo Santo

tom:

G

Intro: Em A G E Em

[Primeira Parte]

Eu me humilho, eu me prostro  
 Diante do Senhor e da tua majestade  
 Com toda tua glória, ainda me escutas  
 Quero viver diante de ti e da tua formosura  
 Nada sou, nada tenho para te oferecer Senhor  
 Mas com toda humildade aqui estou, apenas servo

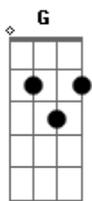

Estou disponível pra te servir

[Refrão]

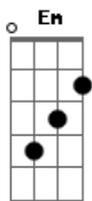

Quanto mais eu me coloco ao chão  
 Tu derramas sobre mim a tua unção  
 E com o teu óleo santo vem encher, o meu coração  
 O meu vaso hoje aqui vai transbordar  
 Já estou prostrada ao chão pra esperar  
 Aguardando o Senhor pra derramar  
 O óleo santo em mim

[Final] C D Em
