Intro: dução no Baixo

Verso 1:

     It could all be so simple,         but you?d rather
make it hard
Abm                     Gb              Abm
Gb
     Loving you is like a battle,       and we both end
up scarred
Abm                     Gb              Abm
Gb
     Tell me who I have to be,          to get some
reciprocity
Abm              Gb                      Abm          Gb
     No one loves you more than me,     and no one ever
will
```

Verso 2: Mesmos Acordes

Is this just a silly game, that forces you to act this way
Forces you to scream my name, then pretend that you can?t stay
Tell me who I have to be, to get some reciprocity
No one loves you more than me, and no one ever will

It ain?t workin, It ain?t workin
```
              Bbm                       Am        Abm

And when I try to walk away, you hurt yourself to make me stay
```

```
This is crazy, This is crazy

Verso 3:

I keep letting you back in, how can I explain myself
As painful as this thing has been, I just can?t be with no one else
See I know what we?ve got to do, you let go and I?ll let go too
'Cause no one loves you more than me, and no one ever will

Refrão

Outro: (Mesmo acordes do Refrão)

Care for me, care for me, I know you care for me
There for me, there for me, Said you?d be there
Cry for me, cry for me, You said you?d die for me
Give to me, give to me, Why don?t you live for me

Refrão

Solo (nunca tirei esse solo, mas é um solo muito tesão, vale a pena)
