

# Lauryn Hill - Mr. Intentional

Tom: **F**

Verse: **Dm - Gm - Cm - Dm**

Chorus: **Dm - Gm - Cm - Dm** (different strumming pattern)

Bridge: (not perfect but pretty close)

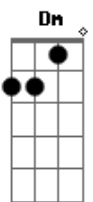

Yeah, yeaayh, yeah heh, yeah heh, yeah heh...  
 See the road to hell, is paved with good intentions  
 Can't you tell, the way they have to mention  
 Have they helped you out, you're such a hopeless victim  
 Please don't do me any favors, Mr. Intentional  
 All their talk, (?) to perfection  
 The road they walk, commanding your affection  
 They need to be needed, deceived by motivation  
 An opportunity, to further situation  
 Why they so important, is without explanation  
 Please don't patronize me, Mr. Intentional  
 Oh, ohhh, ohh ohhh  
 We give rise to ego, by being insecure  
 The advice that we go, desperately searching for  
 The subconscious effort, to support our paramour  
 To engage in denial, to admit we're immature  
 Validating lies, Mr. Intentional  
 Open up yours eyes, Mr. Intentional  
 Stuck in a system, that seeks to suck your blood

Held emotionally hostage, by what everybody does  
 Counting all the money, that you give them just because  
 Exploiting ignorance, in the name of love  
 Stop before you drop because that's just the way it was  
 Please don't justify me, Mr. Intentional  
 Oh undementional, Mr. Intentional  
 Ohhh, oh don't you do me any favors  
 Ohhh, ohhhh, ohh ohhhh  
 Wake up you've been sleeping  
 Take up your bed and walk  
 Stop blaming other people  
 Oh it's nobody else's fault  
 Except the truth about you  
 You know that life goes on without you  
 And your expensive misinventions  
 Disguising your intentions  
 Don't worship my hurt feelings, Mr. Intentional  
 Oh, oh oh oh  
 See I know you can't help me, Mr. Intentional  
 The only help I need to live, is unprofessional  
 The only wealth I have to give, is not material  
 And if you need much more than that, I'm not available  
 Please don't entertain me, Mr. Intentional  
 Oh I dont need your symphy, Mr. Intentional  
 Stay away from me, Mr. Intentional  
 So undementional, Mr. Promotional, Mr. Emotional, Mr.  
 Intentional  
 Ohhh ohhhh, ohhhh
