

LAUV - Mean It

tom:

G

G

Small talk, no conversation
That look makes me impatient

Em

I can't tell what you're thinking
Please, tell me what you're thinking

Am7

Last night, we were more than fine

Em

Just tell me if you changed your mind

D

If you changed your mind (mind)

G

'Cause I'm all, I'm all in
I'm calling, no answer

Em7

Would you text me when you feel like?
When it feels right to you

Am7

But I'm all, I'm all in
I'm falling faster

Em

D

But if you're looking at me with a heart of doubt

G

Don't kiss me right now
Don't tell me that you need me

Em

Don't show up at my house
All caught up in your feelings

Am7

Don't run me 'round and 'round

Em

Don't build me up just to let me down

D

Just to let me down, down, down (hey)

G

Don't mess with my head
Don't tell me you're falling

Em

With your feet still on the ledge
I'm all out of breath

Am7

Baby, don't run me 'round and 'round

Em

Don't kiss me, no, don't kiss me right now

D

On your lips, just leave it

G

If you don't mean it

Oh, yeah

Em

You know you got me in the palm of your hand
But I love those hands

Am

Oh, yeah

Em

But you only let me hold you when he can't

D

Yeah, I don't understand

G

'Cause I'm all, I'm all in
I'm calling, no answer

Em

Would you text me when you feel like?

When it feels right to you

But I'm all, I'm all in

I'm falling faster

But if you're looking at me with a heart of doubt

Don't kiss me right now

Don't tell me that you need me

Don't show up at my house

All caught up in your feelings

Don't run me 'round and 'round

Don't build me up just to let me down

Just to let me down, down, down (hey)

Don't mess with my head

Don't tell me you're falling

With your feet still on the ledge

I'm all out of breath

Baby, don't run me 'round and 'round

Don't kiss me, no, don't kiss me right now

On your lips, just leave it

If you don't mean it

Hurry home, let's never leave the house (but you don't mean it)

Let's stay in bed while all our friends go out (but you don't mean it)

Why you let those words come out of your mouth? (If you don't mean it)

You've been staring at me with a heart of doubt (ah)

Don't kiss me right now

Don't tell me that you need me

Don't show up at my house

All caught up in your feelings

Don't run me 'round and 'round

Don't build me up just to let me down

Just to let me down, down, down (hey)

Don't mess with my head

Don't tell me you're falling

With your feet still on the ledge

I'm all out of breath

Baby, don't run me 'round and 'round

Don't kiss me, no, don't kiss me right now

On your lips, just leave it

If you don't mean it
