

## LAUV - Mean It

tom:

G

G

Small talk, no conversation  
That look makes me impatient

Em

I can't tell what you're thinking  
Please, tell me what you're thinking

Am

Last night, we were more than fine

Em

Just tell me if you changed your mind

D

If you changed your mind (mind)

G

'Cause I'm all, I'm all in  
I'm calling, no answer

Em

Would you text me when you feel like?  
When it feels right to you

Am

But I'm all, I'm all in  
I'm falling faster

Em

But if you're looking at me with a heart of doubt

D

G

Don't kiss me right now  
Don't tell me that you need me

Em

Don't show up at my house  
All caught up in your feelings

Am

Don't run me 'round and 'round

Em

Don't build me up just to let me down

D

Just to let me down, down, down (hey)

G

Don't mess with my head  
Don't tell me you're falling

Em

With your feet still on the ledge  
I'm all out of breath

Am

Baby, don't run me 'round and 'round

Em

Don't kiss me, no, don't kiss me right now

D

On your lips, just leave it

G

If you don't mean it

Oh, yeah

Em

You know you got me in the palm of your hand  
But I love those hands

Am

Oh, yeah

Em

But you only let me hold you when he can't

D

Yeah, I don't understand

G

'Cause I'm all, I'm all in  
I'm calling, no answer

Em

Would you text me when you feel like?

When it feels right to you  
 But I'm all, I'm all in  
 I'm falling faster  
 But if you're looking at me with a heart of doubt  
 Don't kiss me right now  
 Don't tell me that you need me  
 Don't show up at my house  
 All caught up in your feelings  
 Don't run me 'round and 'round  
 Don't build me up just to let me down  
 Just to let me down, down, down (hey)  
 Don't mess with my head  
 Don't tell me you're falling  
 With your feet still on the ledge  
 I'm all out of breath  
 Baby, don't run me 'round and 'round  
 Don't kiss me, no, don't kiss me right now  
 On your lips, just leave it  
 If you don't mean it  
 Hurry home, let's never leave the house (but you don't mean it)  
 Let's stay in bed while all our friends go out (but you don't mean it)  
 Why you let those words come out of your mouth? (If you don't mean it)  
 You've been staring at me with a heart of doubt (ah)  
 Don't kiss me right now  
 Don't tell me that you need me  
 Don't show up at my house  
 All caught up in your feelings  
 Don't run me 'round and 'round  
 Don't build me up just to let me down  
 Just to let me down, down, down (hey)  
 Don't mess with my head  
 Don't tell me you're falling  
 With your feet still on the ledge  
 I'm all out of breath  
 Baby, don't run me 'round and 'round  
 Don't kiss me, no, don't kiss me right now  
 On your lips, just leave it  
 If you don't mean it
