

LAUV - Who (feat. BTS)

tom:

Intro:

[Primeira Parte]

Outlines of your eyes and visions of you

Girl, I think I need a minute

To figure out what is, what isn't

These choices and voices, they're all?in my head

Sometimes, you make me feel crazy

Sometimes, I swear I think you hate me like,

Uh, I need a walk, I need a walk

I need to get out of here

'Cause I need to know

[Refrão]

Who are you?

'Cause you're not the girl I fell in love with, baby

Who are you?

'Cause somethin' has changed, you're not the same, I hate it

I, I'm sick of waitin' for love, love

I, I know that you're not the one, one

[Segunda Parte]

Feelin' hypnotized by the words that you said

Don't lie to me, just get in my head

When the mornin' comes, you're still in my bed

But it's so, so cold

[Refrão]

Who are you?

'Cause you're not the girl I fell in love with, baby

Who are you?

'Cause somethin' has changed, you're not the same, I hate it

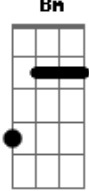

I, I'm sick of waitin' for love, love

I, I know that you're not the one, one
