

# Layup - Good Things Happen

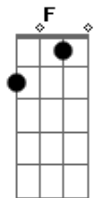

tom:  
 Some days the good things aren't easy to find  
 But if you're lookin', you'll see plenty around  
 It's in the background and out in plain sight  
 Good things happen all the time  
 ( Bb C F )

More than often, people will be kind  
 Be good-hearted and help each other out  
 Good news won't often make the headlines  
 But good things happen all the time  
 Good things happen all the time

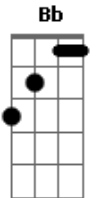

Ooh-ooh  
 Ooh-ooh-ooh  
 Good things happen  
 All the time  
 All the time

Bb F C Bb

Clashes and conflicts get all the hype  
 But I think most of us get along just fine  
 Trouble may be in the spotlight  
 But good things happen all the time

Bb C F

There's a couple shadows but plenty more lights  
 Some doing wrong, but so many doing right  
 Behind the clouds is a Sun ready to shine  
 Good days happen all the time  
 Good things happen all the time

Ooh-ooh  
 Ooh-ooh-ooh  
 Good things happen  
 All the time  
 All the time  
 Good things do happen  
 All the time
