Intro: Em7 D Em7 D

[Primeira Parte]

Em7   D
    I am a shooter
Em7   D
    Everywhere is where I belong
Em7   D
A marble sculpture
Em7   D
    Just for tonight I feel like a stone
Em7   D
    Only just for tonight
Em7   D
    I think any mountain is easy to climb
Em7   D
    Just for tonight somehow
Em7   D
    Every game I can play and win

[Pré-Refrão]

F   G
  Heaven or hell too
F   G
  Every choice I can't refuse
F   G
   Making me feel right
F   G
  There is no way that I can choose

[Refrão]

C   G
  I am impregnable, I started to flow
C   G
  Nobody shines like the way that I do
C   G
  No one can stop me, I'm ready to blow
C   G
  Better take care, I am passing through
C   G
  No one can beat me, you are under control
C   G
  I got the right to rise
C   G
  I gotta find my deadly foe
C   G   Em
I got a fire in my soul

[Segunda Parte]

Em7   D
So you can run with me 'till dawn
Em7   D
   'Cause I'm so eager to lead you on
Em7   D
    Too many games you play, you lose

Em7   D
    If you invite me, I can't refuse
Em7   D
    Just for tonight I'm feeling so strong
Em7   D
    So why don't you join me

[Pré-Refrão]

F   G
  I own a lightsaber now
F   G
  Just for you to know
F   G
  You don't need to tell me what to do
F   G
  When I will fight, you lose
[Refrão]

C   G
  I am impregnable, I started to flow
C   G
  Nobody shines like the way that I do
C   G
  No one can stop me, I'm ready to blow
C   G
  Better take care, I am passing through

C   G
  No one can beat me, you're under control
C   G
  I'm ready, there is no way to redo
C   G
  Feel so strong like a few years ago
C   G   Em
  How many choices can be so true

Bm   C
   Everybody knows I'll write all my rules
                                          Dadd9
I can feel a strange rumble from my old tools
                                   Em
Just to remind me that is the right sound
Bm   C
    Now it's time to wield my lovely guns
                                        Dadd9
To shoot with a power of ten thousand suns
                                                Em
The thrill goes away, and I think that is alright

[Terceira Parte]

Em7   D
    I had the future
Em7   D
    But I wish it were much longer
Em7   D
    I'm back to computers
Em7   D   Em7
    So many things I got to do
