

# LE SSERAFIM - HOT (English Version)

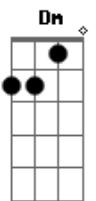

tom:  
 (I'm burning hot) **Dm B C F**  
 Shades on my eyes **Dm**  
 Cover my tears **B**  
 You see the smile **C**  
 I feel the fear, so **F**  
 Paint my lips red **Dm**  
 Throw on some heels **B**  
 Hold up my head **C**  
 And tonight I'll remind myself that **F Dm**  
 I'm the one, two, and three **B**  
 Kissing the mirror, I'm she **C**  
 Struck like lightning, so ignited **F Dm**  
 You can hate me for me **B**  
 Baby, that's your loss **C**  
 Don't love me for somebody I'm not **F**  
 I'm burning hot (hot) **Dm**  
 There's a fire living inside me **B C**  
 And it won't burn out after dark (dark) **F Dm**  
 So tonight I'm not gonna fight it **B C**  
 Bonnie and Clyde it, oh **F**  
 Not running from it, not running from it **Dm B**  
 Who I'm becoming, I love it **C F**  
 Like it or not (hot) **Dm B**  
 Like it or not (hot) **C F**

I'm burning hot (I'm burning hot)  
 Matches **Dm**  
 Gonna strike one, light one up on my baggage **B**  
 Imagine **C**  
 All the beautiful things that used to be ashes **F**  
 Practice **Dm**  
 Getting off the bench to work on myself **B C**  
 When it hurts like hell, I know that I'm **F**  
 I'm the one, two, and three **Dm B**  
 Kissing the mirror, I'm she **C**  
 Struck like lightning, so ignited **F Dm**  
 You can hate me for me **B**  
 Baby, that's your loss **C**  
 Don't love me for somebody I'm not **F**  
 I'm burning hot (hot) **Dm**  
 There's a fire living inside me **B C**  
 And it won't burn out after dark (dark) **F Dm**  
 So tonight I'm not gonna fight it **B C**  
 Bonnie and Clyde it, oh **F**  
 Not running from it, not running from it **Dm B**  
 Who I'm becoming, I love it **C F**  
 Like it or not (hot) **Dm B**  
 I'm burning hot (I'm burning hot) **C F**
