League Of Legends - Awaken (feat. Valerie Broussard)

```
                              tom:
                 Am

            [Primeira Parte]

Am Dm Dm                        Em C  Am
             The night beckons while you dream
Am Dm Dm                  Em C Am
A life never lives in peace
Am Dm Dm                               Em  C
             As you stand upon the edge
Am
   Woven by a single thread
Am Dm Dm
             And fate may fall down upon you

( Em  C )

  Em                 Em
While the devil is knocking
                Am
Right at your door

[Refrão]

             Am
So all you restless
                 Dm
Each night you hear the drums of war
  Em
Awaken, awaken
                                            Am
The voice begins to call you while you hunger
             Dm
A taste of destiny you're searching for
  Em
```

```
Awaken, awaken
     Em              C                Am
The fight is at your door, take up the cause

[Ponte]

  Am
Awaken, awaken, awaken, awaken
  Am
Awaken, awaken, awaken, awaken
  Dm                        A
Awaken, awaken, awaken, awaken
A                           Dm
  As you stand upon the edge
 Am            Em
Hanging in the balance
Am                      Dm
     And fate may fall down upon you
Em                       Em
     While the devil is knocking

[Refrão]

             Am
So all you restless
                   Em
Each night you hear the drums of war
  Am
Awaken, awaken
     Am                                  Dm
The voice begins to call you while you hunger
             Em
A taste of destiny you're searching for
  Am
Awaken, awaken, awaken
```
