

# League Of Legends - Burning Bright

Tom: **A**

**Bm** The light we share  
**Gbm** Caught in destiny we shine for we are meant to be  
**Bm** The star guardians!

**D** Gone in a flash before our time  
**Gbm** Up in the skies together  
**D** The vow we have made has kept us strong  
**A** Don't fade away, it's time to shine!

**D** Burning bright  
**Gbm** As we reach out for the same horizon  
**D** Burning brighter  
**Bm** Runnin outta time, we're chasing the light
