

League Of Legends - Phoenix

Tom: Gb

(forma dos acordes no tom de G)

Afinação: Eb Ab Db Gb Bb Eb

Intro: Bm A Em Gbm

What are you willing to lose?

You cover your wounds, but underneath them

A million voices in your head that whisper, "Stop, now"

Another twist of the knife, turn of the screws

It's all in your mind and it's fighting you

Arm yourself, a storm is coming

Well, kid

What you gonna do now?

It's your reflection looking back to pull you down

[Refrão]

So are you gonna die today or make it out alive?

You gotta conquer the monster in your head and then you'll fly

Fly, Phoenix, fly

It's time for a new empire

Go bury your demons then tear down the ceiling

Phoenix, fly

And now you're playing with matches, come out of the ashes

Underneath you, a million voices in the crowd they're screaming

Gbm

"Stop, now"

Well let 'em swallow their pride, you're turning the tide to true

believers

Got them in the palm of your hand, you're playing God now

What you gonna do now?

It's your reflection looking back to pull you down

[Refrão]

So are you gonna die today or make it out alive?

You gotta conquer the monster in your head and then you'll fly

Fly, Phoenix, fly

It's time for a new empire

Go bury your demons then tear down the ceiling

Phoenix, fly
