

Leandro & Leonardo - Tarde Demais

Tom: A

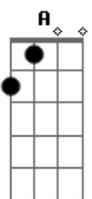

To a procura de uma namorada
 Que me dê tudo com bastante amor
 Que fale manso toda delicada
 Um anjo de pessoa, uma flor
 Jeitinho doce de moça brejeira
 Inteligente, prendada e gentil
 Pra ser a minha fiel companheira
 Pra ser a minha mulher nota mil
 E quando chega de noite

Solta os bichos, solta a franga
 Explode o desejo
 Dá no couro quebra a cama
 Gemendo pedindo
 Chorando sorrindo toda sensual
 E quando chega de noite
 Solta os bichos, solta a franga
 Explode o desejo
 Dá no couro quebra a cama
 Moleza já era
 Tem que ser uma fera, pois eu sou animal
