

# LeAnn Rimes - The Story

Tom: A

All of these A lines across my face tell you the story of who I E  
am

So many Gbm stories of where I've been and how I got to where I am D

D But these stories don't mean anything, when you've got no one E  
to tell them to

It's A true, I was made for you E

I climbed across the mountain tops swimming across the ocean E  
blue

I crossed all the lines and I broke all the rules Gbm

But baby I D broke them all for you

Oh, and this even when I was flat broke E

Gbm You made me feel like a million bucks you do A

E I was made for you A

[Solo] D Gbm E

A

You see the smile that's on my mouth

Its hiding the words that don't come out E

All of my friends who think that I'm blessed Gbm

They don't know my life is a mess D

No they don't know who I really am A E

And they don't know what I've been through like you do Gbm D A

E I was made for you A

All of these A lines across my face tell you the story of who I E  
am

So many Gbm stories of where I've been and how I got to where I am D

Oh, but these stories don't mean anything A E

when you've got no one to tell them to Gbm D

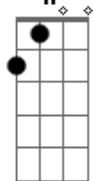

It's A true, I was made for you E A

D I was made for you Gbm E

A Oh yeah well it's true E A
