Dbm
I like to wander some graveyards alone
Abm
And think of all that I've become
A
What kind of box I would go
Gbm
And would you even notice
Dbm Abm
My disappearance my impressions
A Gbm
I'm just waiting, waiting
Dbm Abm A Gbm
Dbm Abm
And until then my desolation
A
Will be my trademark
Gbm
I'll always remain alien
Dbm Abm A
And however hard I try to integrate
Gbm
I'll always remain alien

Dbm
You say I should go out
Abm
In every brutal town
A Gbm
There is someone of substance
Dbm
Forcing me to do things I never do
Abm
For instance laugh at jokes of you
A Gbm
Small talks have simply no relevance

Dbm
And until you change
Abm
I'll keep my delighted face
A
It is my trademark
Gbm
To always remain alien
Dbm Abm A
And however hard I try to integrate
Gbm
I'll always remain alien
