

# Led Zeppelin - Babe I'm Gonna Leave You

Tom: **C** back...

WARNING: If you really want to learn this music, watch out all minor changes in the main verse, and if I did any error, please contact me in my e-mail TheLizzard\_Hendrix@hotmail.com. P.S.: The lyrics are not 100% right (the music too, thought), cause I'm lazy and dont want to look for the lyrics, but... wathever, whats real matter is the music anyway, in any case I hope you enjoy it...

Iguana  
Notation for solos:

(R) - Rake  
h - Hammer on  
p - Pull off  
~ - Tremolo pickin  
hb - Half bend  
fb - full bend  
Intro: (Without vocals)

Verse 1:

Baby...  
baby I'm gonna...

...live you...  
I say...

Baby...  
know I'm gonna...

...leave you...  
...

leave you when the summertime...  
when the summer

...comes alone...  
comes alone... ...leave you when the summer

Chorus 1:

Verse 2:

...Baby baby baby baby baby baaby  
I wont...

... leeave you...  
got to ... ...I aint joke woman I

..ramble... ...oooh yeah...

... Baby baby I'll leave the  
really got

Acustic guitar 2 as riff 1;

...ramble...  
way ...I can hear a call in me the

...you used to do... ...I can hear a call in me

Chorus 2:

Bridge:

Eletric / Acoustic riff:

This part off music is made by a acoustic and eletric guitar at same time, the first time enters just eletric guitar, in second time, enters the acoustic:

First part: (just eletric guitar)

Second part: eletric & acoustic guitars: (3x)  
Eletric guitar:

Acoustic guitar:

Final part: eletric & acoustic guitars: (2x)

Eletric guitar:

Acoustic guitar:

Chorus 3: (Just acoustic guitar)

Verse 3: All the back solos off third verse are made by a second acoustic guitar:

First acoustic guitar:

Second acoustic guitar:

First acoustic guitar:

Second acoustic guitar:

I know... I know... ...I know I  
nevernevernevernevergonna live you...

baby...  
this place... ... I gotta go off

...ooh I gotta get you yeah  
oooooooooh baby

...Baby baby baby baby

Eletric riff:

This time, Mr. Page just do 2 times and without acoustic guitar, just eletric:

Now, back again to the acustic guitar, but the back solos this time are made by an eletric guitar:

Acoustic guitar( just acoustic)

Second acoustic guitar:

First acoustic guitar:

Second acoustic guitar:

First acoustic guitar:

Second acoustic guitar:

First acoustic guitar:

Second acoustic guitar:

Electric & acoustic guitars together (last time, thank God) :  
(4x)  
Electric guitar:

Acoustic guitar:

On the last time, the electric guitar just end with a F, and its played with the first **F** on the final part:

Final: just acoustic

...Thats when you call'me...

...I sai'd Thats when you call'me...

## Acordes
