

Led Zeppelin - Babe I'm Gonna Leave You

```
I know I never never never never gonna leave your
                       tom:
            C
Intro: Am Am Am F7M
                                                                                   E Am
     E Am Am Am
      F7M E Am
                                                        But I got to go away from this place,
                                                                                                I've got
                                                     to quit you, yeah
   Am C D F E Am
Babe, baby, baby, I'm gonna leave you

Am C D F E Am
                                                                          F E Am C D FE
                                                                 C D
                                                        Ooh, baby, baby, baby, baby, baby, baby, baby, ooh
   I said baby,
                    you know I'm gonna leave you
                                                                                     Am C
                                                        F E Am
                                                                Don't you hear it callin' me?
                                                                                 C U I know, I know
                                                                                           D
                                                                                                  F E
   I'll leave you when the summertime
                                                                              woman,
   Leave you when the summer comes a-rollin'
                                                        It feels good to have you back again
                F E Am Dm Am Dm (3x)
   Leave you when the summer comes along
                                                                     D
                                                        And I know that one day baby, it's really gonna grow, yes
 Am C D
   Ba-ba-ba-ba-ba-baby, baby, I don't wanna leave you
                             CDFE
                                                        We gonna go walkin' through the park every day
   I ain't jokin', woman, I got to ramble, oh, y
                       Е
                                                                         D
                                                                            every day, oooh,
   Baby, baby, I won't be there, really got to ramble
                                                             Come what may,
              Е
                             Am
                                                    baby
   I can hear it callin' me the way it used to do
                                                                                    C D F E Am C D F E Am
                                                                          Am
                     Am Dm Am Dm (3x) Am
   I can hear it callin' me back home!
                                                        I'm gonna leave you, go aw.....ay
                                                          E Am C D
 (Am C D F E Am C D F)
                                                    Am
It was really, really good,
                                                                                  you made me happy every
                 babe I'm gonna leave you
   Babe.
                                                     single day
                                                                     F E
   E Am C D
                  F E
                          Am
                                                                                      Am C D F E
   Oh, baby, you know, I've really got to leave you
                                                         But now! I've got to go away!
              I can hear it callin 'me
                                                     0h!
                                                         C D F E Am
                                                                             C
                                                    Am
   I said don't you hear it callin' me the way it used to do?
                                                                             Baby, baby, baby,
                                                    when it's callin' me
                                                                                            F Dm F E Am
                                                       I said that's when it's callin' me back ho....?....me
 (Am C D F E Am C D F E)
   I know,
             I know
