

# Led Zeppelin - Down By The Seaside

tom:

**C**

**C** **F**  
Down by the seaside

**C** **F**  
See the boats go sailing

**C** **F**  
Can the people hear

**C** **F**  
What the little fish are saying

Enlace  
**C** **F** **C** **F**  
Ooh oooh ooh oooh

**F** **C**  
People turned away

**F** **C**  
People turned away

**C** **F**  
Down in the city streets

**C** **F**  
See all the folk go racing, racing

**C** **F**  
No time left

**C** **F**  
To pass the time of day

Enlace  
**C** **F** **C** **F**  
Ooh oooh ooh oooh

**F** **C**  
People turned away

**F** **C**  
People turned away

So far away, so far away

**Am**  
See how they run, see how they run

See how they run, see how they run

**Am**  
Do you still do the twist

**D**  
Do you find you remember things that well

**F** **G** **F** **C**  
I wanna tell you

**Am**  
Some go twisting every day

**D**  
Though sometimes it's awful hard to tell

**F** **G** **F** **C**  
Ah ha woh oh woh oh

**C** **F**  
Out in the country

**C** **F**  
Hear the people singing

**C** **F**  
Singing about their growin'

**C** **F**  
Knowing where they're goin'

Enlace  
**F** **C**  
People turned away

**F** **C**  
People turned away

**C** **F**  
Sing loud for the sunshine

**C** **F**  
Pray hard for the rain

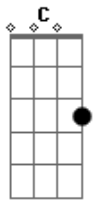

**C** **F**  
And show your love for Lady Nature

**C** **F**  
And she will come back again

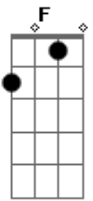

Enlace  
**F** **C**  
People turned away

**F** **C**  
People turned away
