

Led Zeppelin - Livin? Lovin? She?s just a woman

```
Tom: A
                                                                  [Riff 1]
   [Riff 1]
                                                                           When your conscience hits you, knock it back with
                                                                  pills.
                                                                  [Riff 3] (livin', lovin', she's just a woman)
[Riff 2]
                                     [Riff 3]
                                                                  [Riff 4]
                                                                        [Fill 1]
[Riff 4]
                                                                           Come on babe on the roundabout,
                                                                        [Fill 2]
                                                                           ride on the merry-go-round.
                                                                        [Fill 1]
[Riff 5]
                                                                  money down.
                                                                  [Riff 1]
                                                                               Tellin' tall tales of how it used to be, (livin', lovin', she's just a woman)
[Riff 6]
                                                                  [Riff 23]
Chorus guitarra 2 (com slide e wah)
                                                                  [Riff 1]
                                                                                with the butler and the maid and the servants
[Fill 1]
                      [Fill 2]
                                         [Fill 3]
                                                                  three.
                                                                  [Riff 23]
                                                                              (livin', lovin', she's just a woman)
                                                                  [Guitar Solo] /w [Riff 3] x1:
                                                                  Strum [Riff 5]
Song progression:
[Riff 1]
                                                                  [Riff 231 x1
             With a purple umbrella and a fifty-cent hat -
[Riff 23]
            (livin', lovin', she's just a woman)
                                                                          Nobody hears a single word you say,
                                                                  [Riff 3] (livin', lovin', she's just a woman)
[Riff 1]
             Missus Cool rides out in her aged Cadillac -
[Riff 23]
            (livin', lovin', she's just a woman)
                                                                           but you keep on talkin' till your dying day.
[Riff 4]
                                                                  [Riff 3] (livin', lovin', she's just a woman)
          [Fill 1]
             Come on babe on the roundabout,
                                                                  [Riff 4]
          [Fill 2]
                                                                         [Fill 1]
                                                                           Come on babe on the roundabout,
             ride on the merry-go-round.
   [Fill 3]
                                                                         [Fill 2]
