

# Lee Brice - One Of Them Girls

tom:

Intro: E B Dbm A

Are you one of them girls that peels off the Bud Light label? Just might?run?a pool table?

Roll?your eyes if I call you an angel, ain't you one of them girls?

Ask you to dance, you say "No" just to see how far I'll go

Your song comes on and your eyes close, that's when I know, yeah

You got your heart on lock down, got a wall I gotta knock down

Kinda wanna do a shot now, come on now

[Refrão]

And you're one of them girls that ain't tryna meet nobody

You're just here for the party, if I'm wrong then stop me, yeah

You're one of them girls that ain't handin' out your number

You like to make us want you, you like to make us wonder

If you're one of them girls, 'cause I'm one of them boys

Would trade his whole world, hm, yeah

For one of them girls who likes to act all quiet, sexy, not even tryin'

Yeah, you know I ain't lyin', damn right

You one of them girls, broke every heart in your hometown

On the day you rode out, got 'em all wishin' on stars now

[Refrão]

If I find one of them girls that ain't tryna meet nobody

You're just here for the party, if I'm wrong then stop me, yeah

You're one of them girls that ain't handin' out your number

You like to make us want you, you like to make us wonder

If you're one of them girls

Well, I'm one of them boys

Would trade his whole world, hm, yeah

For one of them girls

[Ponte]

You're one of them girls

I wanna put my lips on

Hold all night long

Write a little love song

[Refrão]

For one of them girls that ain't tryna meet nobody

You're just here for the party, if I'm wrong then stop me, yeah

You're one of them girls that ain't handin' out your number

You like to make us want you, you like to make us wonder

If you're one of them girls

Well, I'm one of them boys

Would trade his whole world, his whole world

For one of them girls

Hmm, one of them girls

## Acordes
