

Legacies - About Her

tom:

[1ª Parte]

About those eyes
The way they spark when she's about to pick a fight
When we disagree and she knows that she's right
About that smile
She tries to hide cuz that's what they expect her to
When no one's watching, it lights up the room

[2ª Parte]

About the time, you think you've locked you heart up safely
Someone breaks right through
All of her fascinating contradictions
Are beautiful to you
I'm falling for a girl
And I can't wait to tell you all about her

[3ª Parte]

About that laugh
The way it rises up from somewhere deep inside

A happiness that brings her back to life
About that mind
The way it moves at such a the terrifying speed
And how it works is such a mystery

[4ª Parte]

About the time, you think you've locked you heart up safely
Someone breaks right through
All of her ever-changing dreams and worries
Feel like home to you
I'm falling for a girl
And I can't wait to tell you all about her
