

# Legião Urbana - Head on

Tom: **C**

Dado:

**C**  
As soon I get my head round you  
I come around catching sparks off you  
I get an eletric charge from you  
That second hand living it just won't do

Dado:

**F** **G**  
And the way feel tonight  
**C** **F**  
I could die and I wouldn't mind  
**G**  
And there's something going on inside  
**C**  
Makes you want to feel, makes you want to try  
**F** **G**  
Makes you want to blow, the stars from the sky  
**C**  
I can't stand up, I can't cool down  
**F** **G** **C** **F G**  
I can't get my head off the ground, ooo...

Dado:

**C**  
As soon as I get my heart round you  
I come around catching sparks off you  
And all I ever got from you  
Was all I ever took from you

Dado

**F** **G**  
And the world could die in pain  
**C** **F**  
And I wouldn't feel no shame  
**G**  
And there's nothing holding me to blame  
**C**  
Makes you want to feel, makes you  
want to try  
**F** **G**  
Makes you want to blow, the stars from the sky  
**C**  
I'm taking myself, to the dirty part of town  
**F** **G** **C** **F G (F Em )** toca só os
